State Support Team

Teachers are SUPER HEROES! Learn more about instructional leadership as the critical factor in learning [HERE](#).

Visible Learning...means an enhanced role for teachers as they become evaluators of their own teaching. Visible Teaching and Learning occurs when teachers see learning through the eyes of students and help them become their own teachers. We are often great with ACTIVITIES (what the students will do), but are we connecting them to the STRATEGIES (what the adults will do) and measuring to see if we Know Our Impact?
